

FULTON COUNTY PURCHASING DEPARTMENT

Mr. Jerome Noble
Director

ADDENDUM #2
BID # 06ITB47363YB
Desktop PC Workstations
Fulton County, Georgia

November 1, 2005

Dear Vendors:

This addendum is in reference to Invitation to Bid Number 06ITB47363YB, for furnishing the Fulton County Information Technology Department with desktop pc workstations.

This addendum is for the purpose of answering questions from interested vendors:

1. Is the 1GB memory to be one stick, two sticks (512k each), or 4 sticks (256K each)?

This is not specified in the document so it is up to the vendor's discretion.

2. What is the required speed for the memory 533 or 667?

Also not specified, vendor's discretion.

3. Is the tower BTX case a micro tower or is there a size requirement?

No size requirement is specified.

4. Can the monitor be black if the computer is silver/gray?

Document specifies components must be of same color

5. What will be the ordering pattern? Will they have a schedule / plan for the next quarter or will we be getting orders as needed with the two week time requirement for fulfillment?

Ordering pattern will have no pattern, we will be approved to purchase units up to the amount specified in the bid, the exact amount and time of ordering is completely dependent on the departments. When departments have needs and funding, they request that we get units for them.

6. What are the payment terms?

The payments will be made when the boxes are received and invoiced.

7. Can the selected vendor image the desktops at their facility or is it required that the manufacturer do the image?

The vendor can do the image if they prefer

8. If there is an image change, can we pass on the manufacturers charges for a new image?

Good question, I say that if we have more than one image change per year, we will be responsible for all after the first one

9. What percentage of units purchased will require vendor installation services or de-installation services? **It is difficult to say, we won't use it much, and probably will only use it if we get a situation where many units need to be deployed in a time crunch which our small deployment staff can not handle. In that case, we might call on the vendor to assist us in installation of the new units.**

10. What is the configuration that Fulton County has been purchasing?

REQUIRED MINIMUM SPECIFICATIONS:

Hardware: (Vendor is required to attach documentation which details actual hardware specifications of proposed unit)

3 GHz Pentium 4 Processor (or equivalent)

Minimum 800MHz front side bus (or equivalent)

512 MB DDR RAM

Minimum 512K L2 Cache

40 GB, 7200RPM, ATA100 Hard Drive

1.44 Floppy Drive

CD ROM (48X)

64 MB Video which supports AGP4X

10/100/1000 Ethernet NIC (Network Interface) with wake on LAN

Stereo Audio

17" SVGA Color Monitor (16" viewable, 1024X768, .28 dot pitch) with Integrated Speakers

104 Keyboard

2 Button Scroll Mouse

Tower Case

Intel 865G Chipset (or equivalent)

4 USB V2.0 Ports (with minimum of 2 accessible from front of unit and minimum of 2 mounted on rear). If unit is supplied with both USB keyboard and USB mouse then minimum of 5 USB ports are required with 2 accessible from front of unit and 3 mounted on rear of unit.

4 PCI Slots (1 must be AGP), 3 external bays, 2 internal bays

1 Serial Port (9 pin)

1 Parallel Port

Case, Monitor, Keyboard, Mouse, CD Rom, and Floppy Drive must all be matching in color. (e.g., gray, black, beige). Black or dark gray color is preferred.

CPU unit and monitor must be of the same brand.

Software/Firmware:

Disk image supplied by Fulton County must be factory installed on all units.

11. What is the price that Fulton County has been paying for that configuration? **\$829.28**

12. Disk image supplied by Fulton County must be factory installed on all units. Will my company or the manufacturer of the units be responsible for installation? **It can be either.**

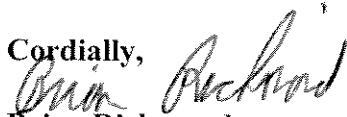

13. Do I have to submit a EBO Plan when I submit my bid or when I win the bid? **As specified in the bid document, responding vendors must submit an EBO plan, so it should be submitted with your bid response.**

Note: If you have already submitted your bid response and you do not wish to make any changes, you may return this addendum only.

The undersigned bidder acknowledges receipt of this addendum by returning a signed copy by the due date and time. Failure to return a signed copy of this addendum could render your bid non-responsive.

Except as provided herein, all other terms and conditions in the bid referenced above remain unchanged and in full force and effect.

Cordially,

Brian Richmond

Assistant Purchasing Agent
